April 18, 2024

As many of you may know, my family has run the annual Golf Tournament, benefitting **Gateways to Change**, for the past 21 years. We were greatly honored last year when they officially re-named the tournament as the ***“Moussally Family Golf Tournament.”***

*This year’s tournament will be held on Monday August 26th 2024 at Crystal Lake Golf Club, beginning at 8:30 with Shotgun Start. The second page of this letter includes a sign-up sheet for players/sponsorships which we hope you will consider supporting.*

For those not familiar with GTC, it is a private, 501(c)(3) non-profit organization dedicated to enhancing the quality of life for persons with developmental disabilities. We support over 70 individuals in 10 residences & multiple apartment settings. In addition to residential housing and support we maintain the Learning & Leisure Center , where 50+ adults participate in day activities, and Artists' Exchange offering community arts activities, classes and more.

We have raised more than \$160,000 and given 100% of the proceeds to the agency that cares for our daughter.

Our daughter, Julie, was hit by a car and suffered severe head trauma when she was eight years old. She was in a coma for two weeks and hospitalized for 45 days. The accident caused Julie to have epileptic seizures, disorientation and developmental disabilities. Julie needs 24/7 supervision. We kept her at home until she was 26 and at that time, we realized we could no longer keep her safe. We searched for an agency that cared and could provide the services and quality of life that she needed. Thankfully, we found Gateways to Change located in Cranston, RI! Julie is now 46 years old.

Gateways to Change has made a huge difference in our daughter’s life. **Please help us make this year’s tournament a success by playing, donating a raffle item or joining us as a sponsor (See Page 2).** Know that your participation will make a difference in the lives of all of the Gateways to Change clients.

Thank you,

Roland and Louise Moussally
